Key points	
The Clinical Quality Strategy will complement the Nursing and Midwifery Strategy 2020-25 and has a key focus on strong governance processes, a robust learning culture and open and transparent behaviours that seeks visible and demonstrable improvement in patient safety, care quality and clinical outcomes.	Information
The Strategy outlines the actions we will take to address equality, diversity, inclusiveness and reduce health inequalities, reflecting the new Strategy for the Changing World of Health and Social Care from 2021, published by the Care Quality Commission (CQC), including how we will work with our partners across the healthcare system.	Information
A Communication plan has been outlined and the strategy will be launched at a Team Brief, to give colleagues the opportunity to hear	Information

<p>about it directly and discuss its key themes. Hard copies and a covering note will be shared with Board and CSU leads, with e-copies shared Trust-wide via established communications channels. A summary of key points will be included with document. In addition, the strategy will be shared with external stakeholders across the region.</p>
