# Coronavirus: changes to visiting times

To minimise infection and keep our patients safe,  
visiting times have changed to:

**2pm-3pm**

**Only one visitor is permitted per bed and no  
children under 12 years old.**

If you are a full-time carer or have any concerns,  
please speak to the nurse in charge to discuss  
alternative arrangements.

We apologise for any inconvenience this may  
cause.
