

Keeping in touch

with patients and colleagues

The Leeds
Teaching Hospitals
NHS Trust

Please ensure you use the options* which are approved by the Trust - further information and guidance on set up is below.

Patients - Video Consultation

- **Attend Anywhere** is our approved software for video consultations with patients.
- To get set up, email: leedsth-tr.videoconsultation@nhs.net
- Visit the Digital Learning Solutions site: www.dls.nhs.uk/Home (to access eLearning for Healthcare Professionals and Administrators)

Colleagues - Microsoft Teams

- Arrange video and voice calls with colleagues and teams, share documents and use instant messaging through Microsoft Teams.
- More information and set up instructions available at www.leedsth.nhs.uk/covid19/latest-guidance/working-from-home/
- Use the App on a trust or personal device.
- For support email informaticsservicedesk.lth@nhs.net or call 0113 (39) 26655

* these options are subject to change, and any changes will be clearly communicated.
