

OUR MISSION

Improve the health and wellbeing of our children and young people by providing outstanding care.

OUR VISION

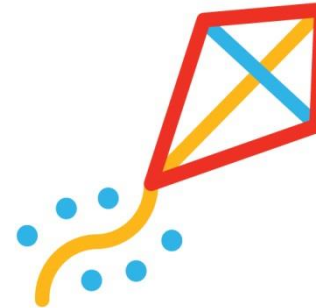

Be a globally recognised leading provider of healthcare for children and young people. Engaging with our patients and their families to make our services and their experience the best they can be.

Leeds Children's Hospital will be the best place to work, providing exciting and innovative career opportunities, with staff who feel supported and valued.

OUR GOALS

Achieve the best health outcomes for every child and young person every time.

Support, develop and empower our workforce.

Be the leading paediatric research and training centre.

Develop innovative ways of working with all our partners.

Work closely with our patients and their families to deliver sustainable, outstanding care.
