

## Our Patients Say!

---

*L27 - 'I was very pleased with the extreme thoroughness of the care which I received.'*

*L22, 'I would like to thank the whole team for the wonderful care he received,'*

*L10 'I had an 11 night stay (9 in Major Trauma and 2 in Ladies Orthopaedics) after an accident. All of the nurses, nursing assistants, physios, surgeons, catering and cleaning staff were so lovely. They really made a difficult time easier and helped me massively on my road to recovery. Thank you all for the hard work and passion you put in, you make the NHS what it is'*
