Community ReSPECT Launch: Update for LTHT teams

- From 03/04/20 community teams will document treatment escalation recommendations using paper ReSPECT forms.
- Be aware, recommendations may differ from those recorded in the LTHT digital/paper ReSPECT plan**

Process for patients admitted to LTH

- Provide patient/family with an explanation & further opportunity to discuss ReSPECT in build up to discharge.
- ReSPECT will automatically update the EDAN. Ensure it is also recorded in the EDID.

The patient must be discharged with printed copy of LTH ReSPECT
