Sample Record

When using the meter to run a patient or EQA sample all the information must be recorded below.

| Analyser serial | number | |
|-----------------|--------|--|
| | | |

| | | Test | Strip | | | |
|------|------|---------|-------------|------------|--------|----------|
| Date | Time | Lot NO. | Expiry Date | Patient ID | Result | Operator |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |

Quality Control Record - Level 1

Liquid QC samples must be run on a weekly basis, and all results recorded below. Failure to do so will result in the meter becoming locked and unavailable for use until the QC sample has been run.

| Analyser serial number | Analyser serial number | |
|------------------------|------------------------|--|
|------------------------|------------------------|--|

| | | Test | Strip | | QC | | | | |
|------|------|---------|-------------|---------|-------------|--------|-----------------|------------------------------------|----------|
| Date | Time | Lot NO. | Expiry Date | Lot NO. | Expiry Date | Result | Target Range | Pass/Fail (If fail - action) | Operator |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
| | | | | | | | | | |
