

# Sam

## Senior Project Analyst

### About Sam

Sam initially qualified as a Nurse Associate in Airedale Hospital Foundation Trust but wanted to trade his clinical role for a technical challenge and was attracted to LTHT by the scope of our many digital projects. He started at LTHT as a Project Support Officer in the Implementation Team and now feels he has the best of both the clinical and digital worlds.

### Profile

Male

British

Bradford

Senior Project Analyst

### Loves

- Continuing to engage with clinical stakeholders
- Using my clinical background to inform digital projects

### Challenges

- Colleagues who are set in their ways and don't want to move away from working on paper
- Convincing people of the benefits of digital ways of working

### Day in the life

Start work at 8am

Attend stand up meetings with developers

Finish work at 4pm

Attend project board meetings

Train clinical and non-clinical staff either virtually or on the wards
