## FOREWORD

Standing Orders, together with Standing Financial Instructions, provide a regulatory framework for the business conduct of the Trust. They fulfil the dual role of protecting the Trust's interests and protecting staff from any possible accusation that they have acted less than properly.

The Standing Orders, Scheme of Delegation and Standing Financial Instructions provide a comprehensive business framework and shall apply irrespective of the source of funding.

All Executive and Non-Executive Directors, and all members of staff, should be aware of the existence of these documents and, where necessary, be familiar with the detailed provisions.

Failure to comply with the information set out within these Standing Orders and Standing Financial Instructions is a disciplinary matter which could result in dismissal.

## INTRODUCTION

### Statutory Framework

The Leeds Teaching Hospitals NHS Trust (the Trust) is a statutory body which came into existence on 1 April 1998 under The Leeds Teaching Hospitals National Health Service Trust (Establishment) Order 1998 (the Establishment Order).

The principal places of business of the Trust are Chapel Allerton Hospital, Leeds Dental Institute, Leeds General Infirmary, St James' University Hospital, Seacroft Hospital and Wharfedale Hospital.

NHS Trusts are governed by Act of Parliament, mainly the National Health Service Act 2006 (NHS Act 2006).

The functions of the Trust are conferred by this legislation. As a statutory body the Trust has specified powers to contract in its own name.

As a matter of good governance, the Trust is required to adopt Standing Orders (SO) for the regulation of its proceedings and business. The Trust must also adopt Standing Financial Instructions (SFI) to complement Standing Orders setting out the responsibilities of individuals.

The Trust will also be bound by such other statutes and legal provisions which govern the conduct of its affairs.

### NHS Framework

In addition to the statutory requirements the Secretary of State through Department of Health issues further directions and guidance. These are normally issued under cover of a circular or letter.

The Corporate Governance Code (the Code) requires that, inter alia, Boards draw up a schedule of matters reserved to the Board and ensure that management arrangements are in place to enable responsibility to be clearly delegated to senior Executives (a scheme of delegation). The code also requires the establishment of Audit and Remuneration Committees with formally agreed terms of reference. The Code also includes requirements concerning possible conflicts of interest of Board members and the management of these.

Public access to information held by the NHS is governed by the [Freedom of Information Act 2000](#).

### Delegation of Powers

The Trust has powers to delegate and make arrangements for delegation. The Standing Orders set out the detail of these arrangements. Standing Orders confers powers to make arrangements for the discharge, on behalf of the Trust, of any of its functions by an internal Committee or sub-Committee appointed by virtue of SO5 or by an officer of the Trust, in each case subject to such restrictions and conditions as the Board thinks fit or as the Secretary of State may direct. Delegated Powers are covered in [Appendix A \(Matters Reserved to the Board\)](#) with Standing Orders and financial delegation as defined in tables 1-5 within the Standing Financial Instructions and Scheme of Delegation. These documents have effect as if incorporated into the Standing Orders.

## Collaboration of Services across West Yorkshire and Harrogate District

Following the implementation of West Yorkshire Integrated Care Board, acute providers were required to plan, commission and deliver efficient and sustainable healthcare services for patients across a footprint. For the Trust much of this has taken place through the work of the West Yorkshire Association of Acute Trusts (WYAAT) service area (which includes the Harrogate District).

Therefore, the following Trusts:

- Airedale NHS Foundation Trust
- Bradford Teaching Hospitals NHS Foundation Trust
- Calderdale and Huddersfield NHS Foundation Trust
- Harrogate and District NHS Foundation Trust
- Leeds Teaching Hospitals NHS Trust
- Mid Yorkshire NHS Trust

Will collaborate to oversee a comprehensive system wide programme to deliver the objective of acute provider transformation. Collectively they will share obligations agreed by all Parties, set out in a Memorandum of Understanding (MOU) and hold each other to account via a Committee in Common, with all Parties agreeing to its Terms of Reference [\[which are provided at Appendix B\]](#).

- 3.6 Agendas will be sent to members six days before the meeting and supporting papers, whenever possible, shall accompany the agenda, but will certainly be despatched no later than three clear days before the meeting, save in an emergency. Failure to serve the agenda and papers on more than three members will invalidate the meeting. A notice shall be presumed to have been served one day after posting.
- 3.7 Before each meeting of the Board a public notice of the time and place of the meeting, and the public part of the agenda, shall be displayed on the Trust's website at least five clear days before the meeting (required by the Public Bodies (Admissions to Meetings) Act 1960 section 1(4)1 (a)).
- 3.8 **Setting the Agenda** - The Trust Chair may determine that certain matters shall appear on every agenda for a meeting of the Trust Board and shall be addressed prior to any other business being conducted.
- 3.9 A member desiring a matter to be included on an agenda shall make his request in writing to the Chair and the Director of Corporate Affairs at least ten clear days before the meeting, subject to SO 3-3. The request should state whether the item of business is proposed to be transacted in the presence of the public and should include appropriate supporting information. If the Chair and Vice-Chair are both absent, the remaining Board Members shall choose a Non-Executive Director from among their number to act as Chair.
- 3.12 If the Chair is absent from a meeting temporarily on the grounds of declared conflict of interest, the Vice-Chair, if present, shall preside. If the Chair and Vice-Chair are absent, or are disqualified from participating, the remaining Board Members shall

choose a Non-Executive Director from among their number to act as Chair temporarily.

- 3.13 **Annual Public Meeting** - The Trust will publicise and hold an annual public meeting in accordance with the National Health Service Trusts (Public Meetings) Regulations 1991 (SI 1991/482). The agenda and the supporting papers will be sent to Board members at least three clear days prior to the meeting. Information will be made available as in keeping with Public Board meetings. The meeting will be a full meeting of the Trust Board, and the minutes thereof will be placed before and agreed at the next meeting of the Trust Board. The prescribed time for holding the public Annual Public Meeting shall be on or before 30 September in every year.
- 3.14 **Notice of Motion** - A member of the Board desiring to move or amend a motion shall send a written notice thereof at least ten clear days before the meeting to the Chair, who shall insert in the agenda for the meeting all notices so received subject to the notice being permissible under the appropriate regulations. This paragraph shall not prevent any motion being moved during the meeting without notice, subject to SO 3-5.
- 3.15 **Emergency Motion** - Subject to the agreement of the Chair, and subject also to SO 3-16, a member of the Board may give written notice of an emergency motion after the issue of the notice of meeting and agenda, up to one hour before the time fixed for the meeting. The notice shall state the grounds of urgency. If, in order, it shall be declared to the Trust Board at the commencement of the business of the meeting as an additional item included in the agenda. The Chair's decision to include the item shall be final.
- 3.16 **Motions: Procedures at and during a meeting**
- i) **Who may propose** - A motion may be proposed by the Chair of the meeting or any member present. It must also be seconded by another member.
  - ii) **Contents of motions** - The Chair may exclude from the debate at their discretion any such motion of which notice was not given on the notice summoning the meeting other than a motion relating to:
    - the reception of a report:
    - consideration of any item of business before the Trust Board:
    - the accuracy of minutes:
    - that the Board proceed to next business:
    - that the Board adjourn:
    - that the question be now put.
  - iii) **Amendments to motions** - A motion for amendment shall not be discussed unless it has been proposed and seconded. Amendments to motions shall be moved relevant to the motion and shall not have the effect of negating the motion before the Board.

If there are a number of amendments, they shall be considered one at a time. When a motion has been amended, the amended motions shall become the substantive motion before the meeting, upon which any further amendment may be moved.
  - iv) **Rights to reply to motions**
    - a) Amendments

The mover of an amendment may reply to the debate on their amendment immediately prior to the mover of the original motion, who shall have the right of reply at the close of debate on the amendment but may not otherwise speak on it.

The member who proposed the substantive motion shall have a right of reply at the close of any debate on the motion.

- v) **Withdrawing a motion** - A motion, or an amendment to a motion, may be withdrawn.
- vi) **Motions once under debate** - When a motion is under debate, no motion may be moved other than:

  - that the meeting proceeds to the next business:
  - that the question should be now put:
  - the appointment of an 'ad hoc' Committee to deal with specific item of business:
  - that a member/Director be not further heard:
  - a motion under Section 1(2) or Section 1(8) of the Public Bodies (Admissions to Meetings) Act 1960 resolving to exclude the public, including the press (see SO 3.33).

In those cases where the motion is either that the meeting proceeds to the 'next business' or 'that the question should now be put', in the interests of objectivity these should only be put forward by a member of the Board who has not taken part in the debate and who is eligible to vote.

If a motion to proceed to the next business or that the question be now put, carried, the Chair, should give the mover of the substantive motion under debate a right of reply, if not already exercised. The matter should then be put to the vote.

3.17 **Motion to Rescind a Resolution**

- i) Notice of motion to rescind any resolution (or the general substance of any resolution) which has been passed within the preceding six calendar months shall bear the signature of the member who gives it and also the signature of three other members, and before considering any such motion of which notice shall have been given, the Trust Board may refer the matter to any appropriate Committee or the Chief Executive for recommendation.
- ii) When any such motion has been dealt with by the Trust Board it shall not be competent for any Director/member other than the Chair to propose a motion to the same effect within six months. This Standing Order shall not apply to motions moved in pursuance of a report or recommendations of a Committee or the Chief Executive.

- ii) An officer in attendance for an Executive Member but without formal acting up status may not count towards the quorum.
- iii) If the Chair or member has been disqualified from participating in the discussion on any matter and/or from voting on any resolution by reason of a declaration of a conflict of interest (see SO7) that person shall no longer count towards the quorum. If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business.
- iv) The requirement at SO3-19(i) for at least one executive Director to form part of the quorum shall not apply where the Executive Directors are excluded from a particular meeting (for example when the Board considers the recommendations of the Remuneration Committee), or where the Terms of Reference for a Committee or sub-committee do not include the presence of an Executive Member within the requirements for a quorum.

3.20 **Voting** - Agreement of issues under debate shall normally be reached by consensus. Any member present may, however, ask for a vote to be taken. In such cases each question shall be determined by a majority of the votes of the Chair and members present and voting on the question and, in the case of any equality of votes, the person presiding shall have a second or casting vote.

3.21 All questions put to the vote shall, at the discretion of the Chair of the meeting, be determined by oral question or by a show of hands. A paper ballot may also be used if a majority of the members present so request.

3.22 If at least one-third of the members present so request, the voting (other than by paper ballot) on any question may be recorded to show how each member present voted or abstained (except when conducted by paper ballot).

3.23 If a member so requests, their vote shall be recorded by name upon any vote (other than by paper ballot).

3.24 In no circumstances may an absent member vote by proxy. Absence is defined as being absent at the time of the vote.

3.25 An officer who has been appointed formally by the Board to act up for an Executive Director during a period of incapacity or temporarily to fill an Executive Director vacancy, shall be entitled to exercise the voting rights of the Executive Director. An officer attending the Board to represent an Executive Director during a period of incapacity of temporary absence without formal acting up status may not exercise the voting rights of the Executive Director. An official's status when attending a meeting shall be recorded in the minutes.

### 3.26 **Suspension of Standing Orders**

- i) Except where this would contravene any statutory provision or any direction made by the Secretary of State or the rules relating to the Quorum (SO 3-20), any one or more of the Standing Orders may be suspended at any meeting,

provided that at least two-thirds of the Board are present (including one Executive Director and one Non-Executive Director) and that at least two-thirds of those members present signify their agreement to such suspension. The reason for the suspension shall be recorded in the Trust Board's minutes.

- ii) A separate record of matters discussed during the suspension of Standing Orders shall be made and shall be available to the Chair and Board members of the Trust.
- iii) No formal business may be transacted while Standing Orders are suspended.
- iv) The Audit Committee shall review every decision to suspend Standing Orders.

- that two-thirds of the Board members are present at the meeting where the variation or amendment is being discussed, and that at least half of the Trust's Non-Executive Directors vote in favour of the amendment:
- providing that any variation or amendment does not contravene a statutory provision or direction made by the Secretary of State.

3.28 **Waiver of SOs and SFIs** - In exceptional circumstance it may be necessary to seek approval to waive the Trust's Standing Orders or Standing Financial Instructions. Situations in which this will be necessary include single tender action, as detailed below:

- Where competitive tendering is not going to be carried out for expenditure or income which is anticipated to be in excess of the limits detailed in the Standing Financial Instructions.
- Where competitive quotations are not to be sought for expenditure, or income which is anticipated to be in excess of the lower limit for quotations but below the lower limit for tenders.

In both cases above, the reasons must be clearly documented on the form ([see Appendix A & Appendix D](#)) which must be authorised in accordance with the Standing Financial Instructions. A copy of the form will be sent to the Director of Finance, who will report the occurrence to the Audit Committee.

3.29 In all other instances, an application to waive the Standing Orders or Standing Financial Instructions must be completed and approved by the Chief Executive or the Director of Finance, who will report the occurrence to the Audit Committee.

3.30 **Record of Attendance** - The names of the Chair and members present at the meeting shall be recorded in the minutes.

3.31 **Minutes** - The Minutes of the proceedings of a meeting shall be drawn up and submitted for agreement at the next meeting where they will be signed by the person presiding at it.

No discussion shall take place upon the minutes except upon their accuracy or where the Chair considers discussion appropriate. Any amendment to the minutes shall be agreed and recorded at the next meeting.

Minutes shall be circulated in accordance with members' wishes. Where providing a record of a public meeting, the minutes shall be made available to the public as required by the [Freedom of Information Act 2000](#).

### 3.32 Admission of the Public and Press

i) Admission and exclusion on grounds of confidentiality of business to be transacted

The public and representatives of the press may attend all Public Board meetings of the Trust, but shall be required to withdraw from the meetings as follows:

- "that representatives of the press, and other members of the public, be excluded from the remainder of this meeting having regards to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest" (Section 1(2) Public Bodies (Admission to Meetings) Act 1960).
- Guidance should be sought from the Trust's Freedom of Information Lead to ensure correct procedure is followed on matters to be included in the exclusion.

ii) General Disturbances

The Chair, the Vice-Chair or the person presiding over the meeting shall give such directions as they think fit in regard to the arrangements for meetings and accommodation of the public and representatives of the press such as to ensure that the Trust's business shall be conducted without interruption and disruption, and without prejudice to the power to exclude on the grounds of the confidential nature of the business to be transacted, the public will be required to withdraw upon the Board resolving as follows:

- 'that in the interests of public order the meeting adjourn for (the period to be specified) to enable the Board to complete the business without the presence of the public' (Section 1(8) Public Bodies (Admissions to Meetings) Act 1960).

iii) Business proposed to be transacted when the press and public have been excluded from a meeting

Matters to be dealt with by the Trust Board following the exclusion of representatives of the press, and other members of the public, as provided in i) and ii) above, shall be confidential to the members of the Board.

Members and Officers or any employee of the Trust in attendance shall not reveal or disclose the contents of papers marked 'In Confidence' or minutes and papers headed 'Items Taken in Private' outside of the Trust, without the express permission of the Trust. The prohibition shall apply equally to the content of any discussion during the Board meeting which may take place on such reports or papers.

iv) Use of Mechanical or Electrical Equipment for Recording or Transmission of Meetings

Nothing in these Standing Orders shall require the Board to allow the members of the public or the representatives of the press to record proceedings in any manner whatsoever, other than writing, or to make any oral report of proceedings as they take place without the prior agreement of the Board.
